# Answer these questions to see if you may need to be assessed.

- Do you regularly use or drink more than you intend to?
- Has anyone ever expressed concerns about your using or drinking?
- Have you ever been in trouble due to using or drinking?
- Have you ever lied to someone close to you about how much you use or drink?

If you answered **yes** to any of these questions, please consider scheduling an assessment by calling

1-800-247-8379.

**Not sure you need an assessment right now but want to learn more?**

- Call 1-800-247-8379 and ask about our Intervention Class.

**Need help for a family member or loved one?**

- Call 1-800-247-8379 to learn about what you can do to help them.
